To Whom It May Concern:

We would like to take a moment to introduce ourselves and say that we are so excited to move to the Charleston area and to be a part of the tremendous growth that is happening there.

When our group decided to start looking at a location to purchase, Charleston, SC was top on our list. This location has been in the North Charleston area for years, at a central location: 2410 Air Park Rd, in an industrial park, with safe access for the trucks to come and go daily. The location also has easy, convenient access to I-26 and I-526. Two Men and A Truck Charleston is good size and an established location, with employees that have been dedicated to it for years as well as new employees that are being hired regularly. We are excited to not only retain the current staff of approximately 40, but to work together with them to continue to grow and strive in the Charleston area.

Brad Lehman, Angela Lehman, and Allison Omundsen have many years of experience running successful operations in the moving industry and we look forward to bringing our combined experience, knowledge and 98% customer referral rating to the residents and businesses of Charleston and the state of South Carolina.

Brad Lehman:

Brad has worked in the moving industry since 1996. More than 20 years ago he took a job as a mover for the very first Two Men and A Truck franchise in Lansing, MI. From there he worked his way up to Training Coordinator at their corporate office where he would help new franchisees learn the system. After that, he was promoted to a Field Business Consultant. This role had him traveling to multiple franchises to help them grow sales and brand awareness as well as ensure they were operating in accordance to their respective state's and Two Men and a Truck corporate policies and procedures. In 2002 he and Angela opened their first franchise in Seminole County, FL then their second franchise in Volusia County, FL in 2004.

Angela Lehman:

In 2000, Angie graduated from Michigan State University with a degree in marketing. She utilized that marketing degree to grow brand awareness with both the Seminole County and Volusia County franchises in Florida. Over the years, she has successfully managed not only the marketing side of the businesses, but also the accounting side to make sure that accurate accounts of money management and record keeping are done.

Allison Omundsen:

Allison has been with the Company since 2004 when starting as a Customer Service Representative. Over the last 16 years, she has worked in and excelled in every department of the day to day operations. For the last 10 years, Allison has been the General Manager and has been able to maintain not only growth but profitability year over year while maintaining a 98% referral rate.

The three of us believe in family, and it is the feeling of family, not only between us, our employees, and our customers, but with the communities in which we service. This feeling is what keeps us wanting to expand and grow in this industry and we are so excited to now have South Carolina as part of that family!

We are anxious to be a part of the growth that Charleston and the surrounding cities are experiencing daily. With Boeing, Volvo, Mercedes, and so many other tremendous companies bringing employment and growth to the area, there are no other partners that could be a better fit to help serve both locals and out of towners moving to and around the area.

3.1 Claims and Valuation Process

Although our movers will be careful with your possessions, from time to time damages may occur. If damages are caused by our service, we reserve the right to repair or replace any damaged goods at our discretion for like kind and quality. If we determine that damage(s) cannot be repaired, and replacement is not a viable option, customer will be compensated based on the actual cash value of the item/s.

Actual Cash Value is valid while your goods are in the care, custody, and control of ABA. Our Quality Control team will contact you and begin the damage claim process. The process can include, but is not limited to, onsite evaluation of damage, photo request, and original purchase receipt. If your items are placed in storage, as soon as we release custody, actual cash value of your items cannot be claimed. If damage is discovered after the movers have completed your move, a claim must be called in to our office within 96 hours of the move.

No damage claims will be honored until the charges for moving services are paid in full. You will be asked to sign a Moving Services Agreement acknowledging this.

3.2 Valuation

Articles of extraordinary value (antiques, fine art, paintings, statutes and similar items; memorabilia, souvenirs, and collector's items; jewelry, furs, stocks, bonds, and cash).

Ready to Assemble Furniture (made of engineered wood and paper laminate finish, due to the inherent risk and substandard integrity of this type of furniture).
